

19 Wing Hosts Pacific Region Beaver Cup

19 Wing Comox hosted the 2010 Pacific Region Beaver Cup Hockey Tournament on April 8-9th at Glacier Greens Arena, Comox. 4 Engineer teams took to the ice from Comox and Esquimalt comprised of civilian and military engineers, firefighters and Defence Construction Canada to battle it out for the glory and bragging rights of holding the Pacific Beaver Cup in their possession for the year in a fun filled, action packed hockey tournament. It came down to a nail biter final game between the undefeated 19 Wing Firehall team and the 19 Wing Construction Engineer team that ended in over time and a final shoot-out to declare the Construction Engineers the victors! All teams were well put together and Engineer pride and camaraderie was in abundance through friendly sport. Well done all.

The opening face off from left to right is (in white) Mr. Dan Dupuis, team Capt for 19 Wing CE, Maj Travis Pink, 19 Wing WCEO dropping the puck, and (in blue) LCol Jon Burbee, BCEO Esquimalt
