

# ASU London Construction Engineering

## WO Simon Blanchet Congratulations on your upcoming RETIREMENT!

Simon,

On behalf of the CEO, Capt Garry Morphet and all the Engineers here at ASU London CE, congratulations you on your retirement.

Thank you for all your efforts and contributions over the years on behalf of the Engineer Branch. 27 years is a record of service that you can be proud of.

When you leave you will be taking with you a wealth of knowledge and experience that will be difficult to replace. I hope that you will look back fondly on your time in uniform, with the many friendships you have made and memories of the places and events you have been a part of. You can look back with pride on your many accomplishments and contributions, and most of all your loyalty to your Queen, Branch and Country.

Good luck with your plans to upgrade your skills in and your search for a job within the Public Service. We wish both you and Louise all the best in your future endeavours. Enjoy the retirement. May it be full of good health and happiness for many years to come for you both.
