

BIO – Sergeant Kevin Ralph Brown

Sergeant Kevin Brown was born at Summerside PEI and enrolled with the Air Reserves with the former 144 AEF Pictou (now know as 144 CEF Pictou) on 13 Nov 97 as an EGS Tech.

Sgt Brown completed Basic Recruit Training in Jun 98 and consequently requested an occupational transfer to ED Tech in Jan 99. He was granted the qualification level of journeyman ED Tech due to his extensive civilian training.

He was granted Acting Lacking Corporal in Aug 99 and volunteered for a deployment in support of Op Danaca Roto 61, Syria until Mar 2000. Upon repatriation to Canada he was promoted to Cpl in April 2000. Sgt Brown then went on to complete his Junior Leadership Course at Borden in Jan 01.

From May 2001 – Nov 2001, Sgt Brown deployed to CFS Alert to complete a six month tour of duty.

An appointment to MCpl was awarded to Sgt Brown on the 15 April 2002 and on 22 November 2002 MCpl Brown completed ED Tech Q1 6A trg with a further promotion to Sgt.

Sgt Brown has been a valued member of 14 Construction Engineering Squadron for the past eleven years. His extensive knowledge as an Electronics Distribution Technician contributed to the successful completion of many Community Projects.

His extensive knowledge and articulate demeanour has proved invaluable in the recruiting section of the flight and Sgt Brown and the flight can be proud that he recruited the majority of new members into the unit during his tenure as Recruiting NCM. He also was awarded the Commanding Officer's Commendation for his expertise in the recruiting cell.

Sgt Brown has proven to have exceptional leadership abilities and will be sorely missed not only by 144 CEF members but also by the entire 14 CES Squadron.

Sgt Brown has settled in the Pictou area with his wife Freda.

Best of luck in all your future endeavours.....

Chimo!!
