

## **BIOGRAPHY SGT GUEVREMONT**

I joined the Canadian Army in 1989 as a reserve member in the infantry with Les Voltigeurs de Quebec, I have chosen to join the reserve first to get the opportunity to pay my college, I got a diploma in administration technique with the option in human resources management and I graduate in 1992. During my 6 years in a half with the reserve I completed a couple of course and participated to a couple of exercises as Noble Lion in 1990 at Gagetown, I did my first mission with the 2R22R in Bosnia from May to November 1993, I was part of the recce platoon. I quit the reserve as a master-corporal to join the reg force to go as a combat engineer in 1995, I received a phone call during a training to go in Croatia with the 2R22R again and they asked me if I was interested to join as a combat engineer because it was my 2<sup>nd</sup> choice. I took the decision to go as a reg force member, my journey begun when I have been send to Borden to complete my wheel course from June 95 to Aug 95, after this course I went to Chiliwack to complete my DP1 from Aug 95 until Dec 95. I have been posted to the 5RGC in Jan 96 and I was in 1 tp with WO Lagueux, one they asked from some volunteer to go in Bosnia and i have been chosen. I did my 2<sup>nd</sup> mission in Bosnia with the 53th squadron from July 96 till Jan 97, returning from my leave with the 52th squadron the troop warrant asked from some volunteer for a tasking in Chilliwack and lucky as I am I have been chosen for that and I did that tasking from May 97 until Sept 97. At my return I filled the position as a clerk for the maintenance troop for one year and I moved back with the 52th squadron in the 3 tp with CWO Cantin as the troop warrant, I stayed with 52th squadron till April 99 when I have been promoted as a corporal. After that I moved again with the 58<sup>th</sup> squadron to be the driver for the intelligence cell, I stayed in this position till Oct 99 and i have been used as a clerk for the ops 58 till May 2000. I came back with the 52th squadron with the 3 tp as a driver for the recce sgt, in Sept 2000 I did my DP2 in Gagetown till Nov 2000, returning from the Christmas leave I begun my training to go for my 3<sup>rd</sup> mission in Bosnia, I have been the section storeman with the 5 tp from Sept 01 till Apr 02 in Dvrrar. At my return I moved for a 3<sup>rd</sup> with the 58<sup>th</sup> squadron to be the squadron MT for almost 2 years, during that time the 52th squadron was seeking the regiment to find more bison driver for their mission in Afghanistan and I volunteer for that tour, I have been used in the troop HQ for the 4 tp as a driver for many tasking from Feb 04 till Aug 04. From Sept 04 till Dec 04 I have been used as a section 2 I/C in the 3 tp and after that I filled the position of the troop MT till may 05, during that time I have been asked by the CWO Cantin to be posted at St-Jean during the summer and in 24 hours it changed for Gagetown, for that posting I have been promoted master corporal in June 05. I moved to the LFAATC, where I taught as a staff at A COY on different SQ, mod 6 PLQ land and 2 BMQ course, during that time I got the chance to do my urban ops instructor course and my DP3. I have been promoted to my rank till June 08 and choose to go back to the 5 RGC in July 08, at my return I have been put in 2 tp with the 51th squadron where I filled the position as a section commander till Jan 09, I transferred to the 55<sup>th</sup> squadron as a section commander and since march 09 I do the troop warrant's job.
