

On behalf of Karen and myself, I would like to thank all the Engineer Family with having the opportunity to serve and work with you for the last 30 years. It has been a pleasure to serve such a vital organization to the country of Canada and Operations abroad. I have great memories, and as usual only the fun times will remain with me. For the Military personnel during this trying time in Afghanistan, Karen and I wish you and your family all the best in your future endeavours and be safe.

To all **CHIMO**
