**WESTERN REGION BEAVER CUP
HOCKEY TOURNAMENT 2012**

1. Your unit is cordially invited to participate in the Western Region Beaver Cup Hockey Tournament to be held at CFB Edmonton from 11-13 April 2012. This long-standing Engineer event promises to be full of hockey, camaraderie, and fun.
2. Tentatively, an eight-team format is planned for the tournament. Should interest surpass eight teams 41 CER will endeavour to secure additional ice and referees. The eight team format would guarantee each team four games throughout the tournament.
3. In order to cover fixed costs for the tournament there will be a team entrance fee of \$600. This fee is requested before 14 March 2011 along with the name of your team OPI in order to guarantee your registration.
4. Rations and quarters can be booked by emailing ED-RQ@forces.gc.ca. In your request please note that your accommodations are required for the Beaver Cup Tournament.
5. A tournament briefing / meet and greet is scheduled on Tuesday, 10 April 2012 at 1900hrs (location TBD). Tournament rules, regulations, format etc. will be discussed and clarified. All OPIs and Team Captains must attend this meeting. A tournament banquet is scheduled on Thursday, 12 April 2012 at 1830hrs (location TBC).
6. Contact for the organizing committee is Captain Dan Wowryk, danwowryk@gmail.com or 780-945-0322. As he is a class A reservist, please do not send email to his DWAN account as it may not be received and processed in a timely manner. Although registration fees are not due until March, 41 CER requests an email stating your unit's intent as soon as possible.

Canada 

7. 41 CER is excited to be your host for this year's Western Region Beaver Cup. We would like to welcome teams from both the Prairie and Pacific Region and encourage widest distribution for any units or formations with strong engineer presence that may have been omitted in the distribution list below.
