

2013

Winner of MGen JA Stewart Trophy

Left to right: Dr Al Stewart (Son of MGen Stewart), 25701 OCdt Brandon Robert Pinkney and Col John Lesperance (Ret'd) President CMEA

The MGen John Arthur Stewart Trophy is presented to the top military engineer (MOSID 00181 and MOSID 00189) in his / her graduating year as selected by the Prizes and Awards Committee and approved by Faculty Council. It is based on the 4 pillars of RMC competence. The 2013 winner is 25701 OCdt Brandon Robert Pinkney.

The award was handed on 2 May 2013 at the Cadet Mess to the recipient by Dr Al Stewart, the son of 3173 MGen Stewart, who was unable to attend due to health issues. Dr Stewart is a professor in the civil engineering department. The trophy is sponsored by The Canadian Military Engineers Association (CMEA). Dignitaries included Dr Sokolsky, Principal of RMCC, Col Saulnier -Acting Cmdt, and Dr Heffernan- Head of the Civil Engineering Department at RMCC. John Lesperance, President, Canadian Military Engineers Association. A number of other engineers from the area were also in attendance.
